The Royal Alpaca Challenge Party

Join us at the host hotel for the Royal Alpaca Challenge Party Saturday evening, Free to all Exhibitors and Vendors. Hot, yummy heavy appetizers, surprise entertainment, cash bar and a great way to network, meet new breeders and share stories about our beloved alpacas. (We hope to host a pig roast this year - details to follow.)

The Royal Knitting Lounge & educational fiber display

Comfy chairs invite you to "Sit & knit" for awhile. Share ideas and spin a yarn or two. Fiber arts demonstrations will be offered throughout the show in the Carriage Room. All local Atlanta and surrounding knitting and fiber arts guilds will be personally invited. A fiber education display will help newcomers to the world of alpacas better understand the fabulous characteristics of alpaca fiber that make camelid products superior to all others. We will take the visitors through the steps of processing fiber from shearing into a end product.
